

Live the Adventure, Learn its Lessons

JOB POSTING: Youth Camp Cook

Description: CanAdventure Education is a leading-edge wilderness adventure program that engages young people in education, cultural awareness, skill development, and personal growth. The company was founded to promote wilderness adventure as an ideal vehicle for recreation, learning and personal growth among young people.

Operating a base camp in Sayward, BC (45 minutes north of Campbell River), CanAdventure Education runs programs for youth aged 13-21, including specialized programs for struggling teens and aspiring eco-tourism leaders. Programs include backpacking and kayaking expeditions to central and northern Vancouver Island's most inspiring destinations.

Reporting to the Executive Director, the Camp Cook will work out of the base camp kitchen in Sayward, preparing camp and expedition meals for groups of 8 – 30 people. Duties include:

- Planning and preparing healthy, balanced meals for participant groups while in camp and on expedition,
- Monitoring and accommodating dietary restrictions of participants and staff,
- Ordering and shopping for food and base camp supplies in a cost-conscious manner,
- Maintaining a clean and healthy kitchen and lodge environment,
- Working with instructor staff to maintain a participant chore schedule (dishwashing, sweeping, mopping),
- Developing, promoting, and enforcing food policy, including the completion of weekly menu plans,
- Contributing to base camp operations.

Large-group cooking experience and certification in Food Safe are essential. Applicants must also have a valid driver's license and their own vehicle. Ideal candidates will have some kitchen management experience, as well as previous exposure to youth recreational programming, outdoor education, and/or youth counseling.

All CanAdventure Education staff members are required to complete a criminal record check prior to starting work.

Details: Wage starts at \$100/day.
This full-time continuing position starts immediately.
Accommodation is available on-site.

Closing Date: Applications are being accepted until January 15, 2008.
